### **Course Description:**

This programme will highlight the importance of local self governance in rural India, by specially focusing on Gram Panchayats. This course will focus on the evolution and role of gaon panchayat. Intorduction of third tier of governance in India has put the concept of democracy from below in real sense. In the third tier, Gaon Panchayat performs as the administrative unit which is responsible for social and economic welfare.

### **Learning Outcomes:**

- ➤ This course will make the participants aware regarding their role in welfare and development of villages under the Gram Panchayat
- The course will help students to impart an inclusive role and ensure participatory democracy.

#### **Evaluation Methods:**

We have prepared question papers and held examination of 50 marks objective test for evaluation. Total obtained marks of the students have been graded under 100 marks. Additionally, Group Discussions and Debating system is followed for evaluation. The evaluation process also undertook the regularity and sincerity of students for the given course.
