### REPORT ON

# AWARNESS PROGRAM ON POPULATION CONTROL ORGANISED BY:NSS UNIT KHARUPETIA COLLEGE IN COLLABORATION WITH IQAC, KHARUPETIA COLLEGE VENUE: ADOPTED VILLAGE -NADIR MUKH DATED 25-06-2019

On dated 25<sup>th</sup> June 2019, NSS Unit of Kharupetia College has organized an "Awareness Program on Population Control" at adopted village —"NADIR MUKH" to sensitized people of the adopted village about the future consequences of the growth of population. Rapid increased of population poses various new challenges for us and our future generation. In our society, there are section of population who are well aware of the consequences of the uncontrolled population, this is one side of the picture; however, there is other side scenario which is very much unconscious and dark situation due to the illiteracy mainly in the remote village area. So, need of awareness program on population control is felt to be urgent and necessary. With this reasoning in mind, this drive has undertaken in the adopted village to control population in the Adopted village. During these program villagers has been sensitized and generated awareness of population control. In this program 22 (Twenty two) Numbers of volunteers including teachers have taken part and response of the program was quite positive and appreciable. During the program the faculty of the College have delivered their lecture on population growth and its future consequence. The program was very much fruitful.

#### NSS ACTIVITY REPORT ON

## "DISASTER PREPARDNESS MOC DRIL" ORGANISED BY -

Darrang District Disaster Management Authority and NSS Unit, Kharupetia College in Collaboration with IQAC, Kharupetia Colege Venue; Niz-Kharupetia (Bologarah)
Date: 21/10/2019

On dated 21-10-2019, "Darrang District Disaster Management Authority and NSS Unit of Kharupetia College" have organized a Disaster Preparedness in collaboration with IQAC, Kharuietia college, where about 50 number of NSS Volunteers, faculty members, persons of the District Disaster Management Authority, common people of the Village as well as the students participated in this program. As the village communities are unaware about the Disaster management, so organizing Disaster preparedness mock drills felt importance for helping common people (Male, Female and children) for practice safety measures and evacuation procedures in an emergency. This program has also help the people to understand how to respond to disasters in a better, faster, and more organized way. Mock drills can help improve coordination between different communities living in the village and also strengthen their emergency preparedness efforts and enhance the protection of life and property. This program have provided vivid knowledge to people how to react in a disaster, such as how to use fire prevention equipment, rescue people from high floors, or save people whose clothes are on fire. Aiming at better future of the village in mind, this program has been undertaken in the NIZ- Kharupetia. By this program people of the village came to know the importance of Disaster Preparedness Mock Drill in their daily life. The program was very much fruitful and encouraging taking in to consideration of the responses from the communities of the village.
