About the Workshop

To enable students with the Digital Financial Literacy, the Department of Commerce, Kharupetia College is going to organise a three days workshop on the theme “DIGITAL FINANCIAL LITERACY”. The workshop will highlight on various aspects such as *Financial Literacy, Banking & Digital Financial Literacy and Importance of E-Security in Digital World*. Moreover the workshop will focus on digital financial services such as IMPS, UPI, Bank PoS machines, etc. with a view to secured access and use of electronic payment system (EPS) and aware in *Make India Go Cashless*.

Digital Financial Literacy:

India is a developing country with focus on achieving sustainable development in its all round. To achieve these, it is important that all sections of the society get equal opportunity and participate in nation building.

Lack of awareness of digital financial literacy, especially among the Students, Faculties as well as rural people is a major challenge in the country. Moreover, in light of the Government’s recent *demonetization* and plans to *make India Cashless*, it is an urgent need to create awareness among the citizens, especially in college going students for easy and secured access to digital financial services.

Objective of the Workshop:

Through this workshop, Department of Commerce makes an endeavor to aware about the various aspects of digital financial literacy in the present day context.
